New York, May 16th, 1900

Frank Branagin Esq.,

Chief, Bureau of Accounts and Disbursing Clerk,

WASHINGTON, D.C.

Dear Sir:-

A certain Paul Le Perrier of Hotel Manhattan, this city called on me to-day with a request to renew the passport which he held.

Upon inquiry he stated that he was a naturalized citizen and although refusing to answer the different questions on the form for "Naturalized Citizen", stated that he would simply permit his old passport to be sent in and have a copy of it made by the Department. He also stated that his naturalization papers were retained by the Department when obtaining his first passport and that he could not furnish a certified copy of the court records, as he did not know at what Court his naturalization took place.

As there is something peculiar in regard to the statements made by this party, it may perhaps interest you to give his statements close investigation, should he decide to obtain a passport through some other source, as under the circumstances I refused to issue an application for him.

Respectfully yours,

Geo. W. Kelley

Thos Morrison Esq.

Dear Sir:-

In reply to your favor of the 19th inst, I know nothing personally with regard to Mr. Le Carrier and am not in possession of any facts which would warrant a rejection of his application. It was simply on account of his reluctance to give information concerning himself, as stated in my previous letter, that I thought it advisable to notify the Department to give particular attention to his application should it be made through some other channel, so that any flaw in the same could more easily be discovered.

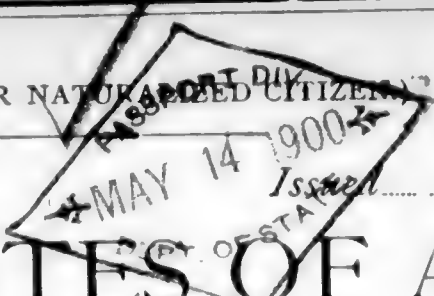

Respectfully yours,

Geo. Welby.
